

SERIES **Details****SEP 25**  
**SELECTING A VENUE FOR JOURNAL PUBLICATION**

Megan Wacha

Scholarly Communications Librarian, Office of Library Services

Tracey A. Revenson

Professor of Psychology, Hunter College

This webinar will support faculty researchers to make informed decisions when selecting a journal to publish their work.

**OCT 16**  
**NIH FUNDING PRIORITIES AND OPPORTUNITIES**

J. Brandon Begarly

Director of Research and Sponsored Programs, Lehman College

This webinar will provide a general overview of the NIH application process and the most common "R" series applications. It will also address writing a successful specific aims statement.

**NOV 06**  
**NSF FUNDING PRIORITIES AND OPPORTUNITIES**

Tamera Schneider

Associate Vice Chancellor for Research, CUNY

John Tsapogas

Director, RF APPS

The NSF funds basic research in all fields of fundamental science and engineering and supports high-risk and novel collaborations. This webinar will give an overview of NSF research program areas and funding mechanisms and provide best practices when applying for grants.

**DEC 04**  
**FOUNDATION FUNDING STRATEGIES AND OPPORTUNITIES**

Daniel Siepmann

Sponsored Programs Development Coordinator, RF APPS

Discover the grant-seeking tactics to succeed with private foundations, and how to match your research agenda to their priorities using tools available at CUNY like Foundation Directory Online.

**JAN 15**  
**WRITING THE NSF BROADER IMPACTS STATEMENTS**

Joshua Brumberg

Dean for the Sciences, The Graduate Center

John Tsapogas

Director, RF APPS

Broader Impacts are critically important in the evaluation of NSF research proposals. Reviewers are asked to assess the potential broader impacts of the proposed research activity, i.e. its potential to benefit society or advance desired societal outcomes. Learn how to leverage CUNY's strengths as an institution to write a more compelling and substantive broader impacts statement.

**FEB 05**  
**PUBLIC AND OPEN ACCESS MANDATES FROM FUNDERS**

Megan Wacha

Scholarly Communications Librarian, Office of Library Services

This webinar will support faculty researchers to comply with public and open access mandates from federal and private funders, addressing the fundamentals of open access, key issues to include in grant proposals, and tools to support compliance.

**MAR 05**  
**BUDGETING FOR FEDERAL AGENCY GRANTS**

Melissa Lazo

Associate Director, Sponsored Programs, ASRC

Poline Papoulis

Director, Office of Research &amp; Sponsored Programs, Queens College

This webinar will provide faculty a better understanding of how to develop pre-award budgets costs to reflect the funding needed to carry out their proposed projects.

**APR 02**  
**GRANT PROSPECTING STRATEGIES AND RESOURCES**

Katelyn Angell

Adjunct Reference Librarian, The Graduate Center

Daniel Siepmann

Sponsored Programs Development Coordinator, RF APPS

This workshop will present the basics of using Pivot, Grant Forward and the Foundation Directory.

**MAY 07**  
**HUMANITIES & ARTS FUNDING OPPORTUNITIES**

Lisa Rhody

Deputy Director of Digital Initiatives, The Graduate Center

Daniel Siepmann

Sponsored Programs Development Coordinator, RF APPS

Learn key tips to unlock funding for your scholarship, creative works, or programs by telling the right story every time.

**JUN 04**  
**BOOSTING YOUR SCHOLARLY PROFILE ONLINE**

Megan Wacha

Scholarly Communications Librarian, Office of Library Services

This webinar will support faculty researchers to take control of their online presence by creating a scholarly profile and ensuring that the people that find their work, can read their work. Faculty will learn to effectively share and promote their work online using tools such as CUNY Academic Works, Google Scholar Profiles, and CUNY Academic Commons.
