

Incomplete Grade Policy Agreement

Policy

An Incomplete grade (INC) is a temporary grade. It is the student's responsibility to request an Incomplete grade in a timely manner, no later than two weeks before the final project or exam is due.

- The grade is given at the discretion of the instructor of record. It may be granted if participation requirements have been met and the only outstanding work is a paper, project, or examination.
- The instructor has the right to refuse a request.
- If the request is granted, the instructor can set a time limit for completion that is shorter than the end of the following semester.
- When the course work is completed and the final grade received, the INC grade will be replaced; a notation will be made on the student's transcript of the date of change.
- INC grades for undergraduate courses must be completed by the end of the following semester. INC grades for graduate courses must be completed within one year.
- Incompletes unresolved in the abovementioned time will become FIN in students' record and may not be changed thereafter.

Best Practices

Most SLU students working towards finishing an incomplete utilize the [SLU Learning Hub](#) to help them set goals for and receive periodic feedback on their work. Students are encouraged to make repeating appointments to support their progress. See [this guide](#) to schedule an initial appointment with a writing consultant.
